

## INTRODUCTION\_

The Diana Award's Anti-Bullying team has quickly adapted to working from home to create training and resources that you can access during the school closures.

Here is a quick mid-month update on resources available to you!

---

## TRAINING UPDATE\_

We are creating video content to support staff and students to tackle bullying behaviour in schools. We wanted to provide our training digitally to allow more staff and students to learn about bullying behaviour and a peer-led approach to creating a safe and inclusive environment in school.

You will be able to share this opportunity with your wider school, which will help you to gain support for the amazing anti-bullying campaigns we know you are already running.

Keep an eye out for an upcoming email that tells you how to access the training.

---

## COVID-19 YOUTH VOICE\_

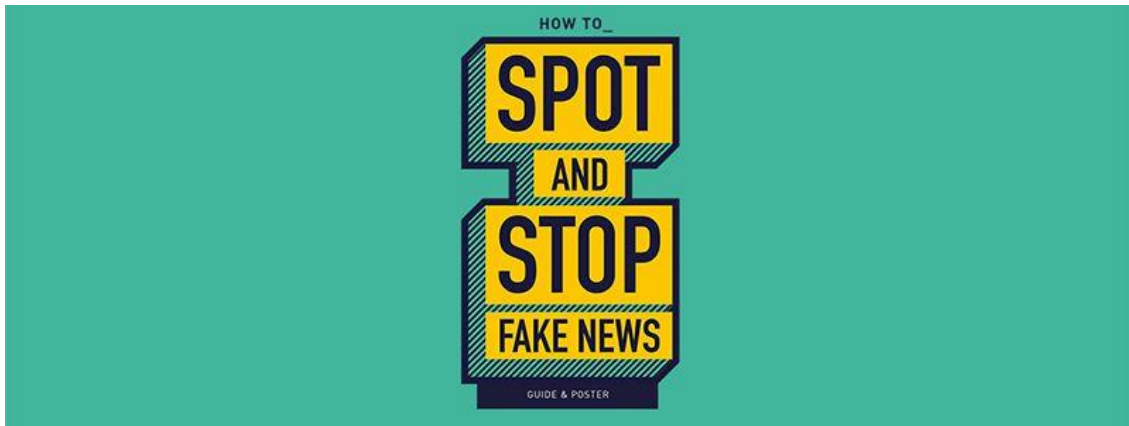

We want to hear directly from young people about their experiences of COVID-19. Please share this survey with all students at your school (not just Anti-Bullying Ambassadors). Their responses will help us understand further where they need us most, and we'll share our learnings with you, so that you, your Anti-Bullying Ambassadors and your school colleagues can all benefit.

The survey will take you 5 minutes to complete and we have extended the deadline to Friday 22nd May.

---

**RESOURCE OF THE MONTH – FAKE NEWS\_**

This month we are shining a spotlight on How to Spot & Stop Fake News. In a time when we are seeing high levels of fake news, this resource helps young people to identify and respond to fake news by encouraging them to be aware, suspicious, curious and honest.

Please share this guide across your school and keep an eye out for many more new resources.
