

Year Six SATs

Next week, our children in Year Six, sit their End of Key Stage Two Assessment Tests. It is essential that all Year Six children attend every day of school, next week. The children must arrive punctually at school at 8:30 as usual, so that we can ensure the children are calm, relaxed and focused. Please make sure the children have an early night on Sunday and are fully rested for the week ahead. All of the staff in Year Six are very aware that this can be a stressful time for the children. Please be assured the children are well- prepared and we will do everything we can to ensure they feel comfortable and in the best possible mindset to do their very best.

Year 6 visit to RSPB in Fairhaven

Last Wednesday, Y6 participated in a Geography fieldtrip to Fairhaven Lake. We were all fascinated to explore the local habitat, looking at how the sand dunes change character and the types of natural objects which could be found there. The children used Geographical, Scientific and Mathematical skills to complete two separate challenges, and all agreed that it was a useful, enjoyable and rewarding experience.

Pop Idol Winner

The children made it very hard for us to pick a winner. All the children were amazing. The winner of the Pop Idol competition is Briege in Year 3. A huge well done to Briege and everyone else that took part.

Beech Class trip to The Space Centre

On Tuesday, The Beech Class visited the Space Centre in Preston. The children were amazing and fully enjoyed the activities available to them. They particularly liked the light up squares on the floor and the slide. The staff were very proud of them.

Willow Class trip to The Farm and The Space Centre

Willow Class have had a busy few days. On Friday, they visited Ridgeway Farm, they saw many different animals and got to handle and feed rabbits, goats and lambs.

On Tuesday, they visited the Space Centre in Preston. The children enjoyed the sensory experience and were impeccably behaved and a credit to the Marton Suite.

Miss Adamthwaite is taking part in the 5k walk a day throughout this month to raise money for Rock FM's cash for kids. This charity provides money for children in Blackpool and surrounding areas that are living in poverty. There will be a link posted on the Marton Facebook page for parents or anyone who wishes to donate.

The school that raises the most money over £100 will win 50 free tickets to Blackpool Zoo.

To further support this charity, we will be having an own clothes day on Friday, 13th May in return of a voluntary donation of £1.

Music Showcase in School

On Thursday, 19th May at 3.15 p.m. the Blackpool Music Services are coming into school to do a music showcase. All children in current years 2 to 6 along with their parents are welcome to join us in the school hall and talk to the professionals about music lessons in school. Please come along and support this event.

Parking

I would like to thank all our parents and carers who park safely when dropping off and picking up their children. We work hard to secure strong relationships within the community, and it is important that everything we do enhances that relationship. Please could I ask that all parents are particularly vigilant when choosing where to park. Please ensure that driveways are never obstructed and that there is always enough space for emergency vehicles to easily access all properties in the area.

The Co-operative Store on Highfield Road have kindly agreed to let Marton parents use their car park. Please also refrain from parking or stopping in front of the school gates. Parking here causes an obstruction for the children when crossing the road and prevents emergency vehicles from being able to access school.
