Year 4 visit to Ingleborough Caves

Last Thursday Class 4A had a fabulous visit to Ingleborough Cave and Nature Trail. They enjoyed seeing beautiful countryside and were very impressed with the spectacular rock formations in the cave. They also learned about how Sedimentary rocks are formed. Their behaviour was exemplary throughout the day.

Parking

I would like to thank all our parents and carers who park safely when dropping off and picking up their children. We work hard to secure strong relationships within the community, and it is important that everything we do enhances that relationship. Please could I ask that all parents are particularly vigilant when choosing where to park. Please ensure that driveways are never obstructed and that there is always enough space for emergency vehicles to easily access all properties in the area.

The Co-operative Store on Highfield Road have kindly agreed to let Marton parents use their car park. Please also refrain from parking or stopping in front of the school gates. Parking here causes an obstruction for the children when crossing the road and prevents emergency vehicles from being able to access school.

Nursery spaces

We are currently full at our Nursery but have spaces from September and are taking bookings, please contact Mrs Thorpe as soon as possible.
