I would like to thank all our parents and carers who park safely when dropping off and picking up their children. We work hard to secure strong relationships within the community, and it is important that everything we do enhances that relationship. Please could I ask that all parents are particularly vigilant when choosing where to park. Please ensure that driveways are never obstructed and that there is always enough space for emergency vehicles to easily access all properties in the area.

The Co-operative Store on Highfield Road have kindly agreed to let Marton parents use their car park. Please also refrain from parking or stopping in front of the school gates. Parking here causes an obstruction for the children when crossing the road and prevents emergency vehicles from being able to access school.

We encourage you to make small regular payments off the total of PGL. Payments should be made on Parent Pay.

Thank you
Mrs Alice Coyle
Head of School

Executive Principal

**Coming soon to Marton Academy & Nursery
- a school meal service created by
pupils, for pupils!**

Welcome to Food & Co. by Sodexo!

We are delighted to be partnering with Marton Primary Academy & Nursery to deliver a brand new catering service, called Food & Co. As of September, pupils will benefit from a wide range of delicious, well-balanced school meals to tempt their taste buds! If you pay for a school meal, we are pleased to confirm that the price will remain at £2.00.

What is Food & Co.?

Food & Co. is our food and dining offer for schools, and was developed in consultation with pupils. They told us what they want from their school food service, and we listened!

We want Marton Primary Academy pupils to be in the driving seat of their new catering service, so we'll ask them to choose the designs from our Food & Co brand book to makeover the dining space and feed back to our staff on their favourite dishes - we call this Agents for Change.
