for parents to discuss their child's achievements.

You are invited to bring your child to the meeting to give you both the opportunity to discuss with the class teacher the progress made in reading, writing, maths and attitude (including behaviour, attendance and uniform). New targets for next half term will also be shared with you at the meeting. We believe that by including the children in the discussion, they will have a much clearer understanding of their achievements and what they need to do next to improve, enabling them to take greater ownership of their own learning.

Appointments are booked through the text messaging service. If you have any problems, please contact the office.

If you would like an appointment with Mrs Coyle, Miss Reid, Mrs Holden or a Governor, please book an appointment through the office.

### **New to me**

I would like to thank all our parents and carers who park safely when dropping off and picking up their children. We work hard to secure strong relationships within the community, and it is

important that everything we do enhances that relationship. Please could I ask that all parents are particularly vigilant when choosing where to park. Please ensure that driveways are never obstructed and that there is always enough space for emergency vehicles to easily access all properties in the area.

The Co-operative Store on Highfield Road have kindly agreed to let Marton parents use their car park. Please also refrain from parking or stopping in front of the school gates. Parking here causes an obstruction for the children when crossing the road and prevents emergency vehicles from being able to access school.

We encourage you to make small regular payments off the total of PGL. Payments should be made on Parent Pay.

**Thank you**
