PGL Year 3 & Year 6

We encourage you to make small regular payments off the total of PGL. Payments should be made on Parent Pay.

Parking

I would like to thank all our parents and carers who park safely when dropping off and picking up their children. We work hard to secure strong relationships within the community, and it is important that everything we do enhances that relationship. Please could I ask that all parents are particularly vigilant when choosing where to park. Please ensure that driveways are never obstructed and that there is always enough space for emergency vehicles to easily access all properties in the area.

The Co-operative Store on Highfield Road have kindly agreed to let Marton parents use their car park. Please also refrain from parking or stopping in front of the school gates. Parking here causes an obstruction for the children when crossing the road and prevents emergency vehicles from being able to access school.

Congratulations

Good Attendance

A huge well done to Class 2A, for achieving the highest attendance last week. A special well done to 2A as they have won this award last week as well.

We celebrated their success in our assembly on Monday and each child had a sweet treat.

Class 2B have the highest attendance overall for this term. Well done 2B.

At the end of our first half term, we have 119 children with 100% attendance and 58 children with more than 95% attendance. These children have been awarded with a certificate in assembly. Well done to all these children.

Thank you for your continued support with our attendance.

Percentage Attendance	= to days	How this effects your child's learning
100% Excellent	0 days	Pupils with 100% attendance should achieve the best grades they can.
Above 97% - Very Good	6 days absence	Pupils with this attendance should achieve the best grades they can.
95% and above – Good	10 days	Pupils with this attendance are likely to achieve their target grades. When attendance falls this low a referral to the pupil welfare officer will be made.
90% attendance – Unsatisfactory	19 days	Pupils are missing a month of school per year fall behind in Maths & English. Gaps will start to show in their learning and could lead to poor grades.
85% attendance – Cause for concern	29 days absence	Pupils are missing 6 weeks of school; it will be difficult for them to keep up and achieve their best.
80% attendance – serious concerns	1 day EVERY week	It will be almost impossible to keep up with work. Parents of pupils with this level of attendance could be issued with a penalty notice and it could lead to court action. It's not fair on the child and their chances for the future.
