## **British Science Week 2023 10<sup>th</sup> March until 19<sup>th</sup> March**

During this week we will be celebrating British Science Week. The children will be completing activities all about connections. We are currently in the process of trying to organise visitors to come into school and share with the children how Science impacts on their job. If you or anyone you know would like to come in and share their stories, please contact the office.

### New to me

On Thursday, 2<sup>nd</sup> February 2023 from 3.20 p.m. to 3.50 p.m. Mrs Faller and Mrs Fletcher will be in the reception class to distribute nearly new uniform to parents who need extra clothing. Please help yourself to any extra items you may need. If you have any spare uniform at home, you can bring it between Thursday 19<sup>th</sup> January and Wednesday 25<sup>th</sup> January.

### PGL

### Year 3 & Year 4

We encourage you to make small regular payments off the total of PGL. Payments should be made on Parent Pay.

Parking

I would like to thank all our parents and carers who park safely when dropping off and picking up their children. We work hard to secure strong relationships within the community, and it is important that everything we do enhances that relationship. Please could I ask that all parents are particularly vigilant when choosing where to park. Please ensure that driveways are never obstructed and that there is always enough space for emergency vehicles to easily access all properties in the area.

The Co-operative Store on Highfield Road have kindly agreed to let Marton parents use their car park. Please also refrain from parking or stopping in front of the school gates. Parking here causes an obstruction for the children when crossing the road and prevents emergency vehicles from being able to access school.
