Year 5 School's Alive

WOW! WOW! WOW! Tremendous congratulations to the whole of Year 5 for their EPIC performance of Annie last night at Schools Alive. The children were superstars! They all sung their hearts out and danced their socks off. Their enthusiasm and energy hit the audience like a tidal wave. We are so incredibly proud of them all and hope the skills they have learned in the process will stay with them for life! Their behaviour backstage and in the audience was excellent. The way the children supported each other was inspiring. What a fantastic, memorable performance.

Many thanks to parents for their incredible support. The children were thrilled to have so many of you in the audience and the reception we received at our meeting point after the performance was wonderful.

Balance Bikes at Palatine Sports Centre

The children in Elm had an amazing time at Palatine Sports Centre riding their balance bikes. They all travelled beautifully and adjusted to their new environment amazingly. The staff are all super proud of you.

Number Day

Thank to all the children who dressed up and supported Number Day On Friday. With your support we raised £168.00 for the NSPCC.

Parking

I would like to thank all our parents and carers who park safely when dropping off and picking up their children. We work hard to secure strong relationships within the community, and it is important that everything we do enhances that relationship. Please could I ask that all parents are particularly vigilant when choosing where to park. Please ensure that driveways are never obstructed and that there is always enough space for emergency vehicles to easily access all properties in the area.

The Co-operative Store on Highfield Road have kindly agreed to let Marton parents use their car park. Please also refrain from parking or stopping in front of the school gates. Parking here causes an obstruction for the children when crossing the road and prevents emergency vehicles from being able to access school.

South Shore Presentation for Parents

On Wednesday 22nd February South Shore Academy will be delivering a presentation to parents showcasing what is on offer at South Shore Academy. The session will start at 3:30pm at Marton Primary – all welcome.

British Science Week 2023
10th March until 19th March

During this week we will be celebrating British Science Week. The children will be completing activities all about connections. We are currently in the process of trying to organise visitors to come into school and share with the children how Science impacts on their job. If you or anyone you know would like to come in and share their stories, please contact the office.

Good Attendance

A huge well done to Class 2B, for achieving the highest attendance last week. We celebrated their success in our assembly on Monday and each child had a sweet treat.

Thank you for your continued support with our attendance

Make Every Minute Count – Arrive on Time!

Give your child the best possible start to the day by arriving on time!

Good time keeping is a vital life skill which will help our children as they progress through their school life and out into the wider world.

Lateness has a negative effect on your child's learning. If a child is late, they can miss work and do not spend time with their class teacher getting vital information and news for the day.

Holidays in Term Time

Just to remind you that 'Holidays in Term Time' will **not** be authorised. Any holidays taken during term time will be classed as unauthorised and a fine may be issued.
