Coronation

On Friday, 5th May 2023 children are invited to come to school in red, white and blue clothing to celebrate the King's Coronation.

Earth Day

Well done to everyone for taking part in our upcycle week. The children had an amazing time thinking of different ways to use “junk” items bought in. It really was a whole school effort! The children made: pencil holders, butterflies, photo frames, mobiles, model trees and Reception had categorised the recycling materials into plastic, card and non-recyclable material. As it was such a success, it is something we will be repeating for Earth Day every year.

Cricket

On the following days 12th May and the 19th May. All children in the main school (not the suite) will take part in Cricket sessions. Please make sure your child comes to school in their P.E kits on these days.

Parents have now made a good start on our sensory garden. They are asking if any other parents/carers/friends would like to help. If you or someone you know can help, please contact the school office. Also, if anyone has any spare garden soil stones pebbles sand bark chippings etc please can you let us know.

New to me

On Thursday, 4th May from 3.20 p.m. to 3.50 p.m. Mrs Faller and Mrs Fletcher will be in the reception class to distribute nearly new uniform to parents who need extra clothing. Please help yourself to any extra items you may need. If you have any spare uniform age 5-6 or 6-7 at home, you can bring it in on these days too.

Vocabulary Day 2023

We will be holding our annual vocabulary day in school on Friday, 16th June. Once again, children will be invited to come into school dressed as a word. Further information to follow nearer to the date.

Well done to all the classes who were Green Status.
Well done also to Class 2A for having the highest attendance in school and Maple and Beech Class for having 100% attendance in the Suite.

Good Attendance

A huge well done to Class 2A for achieving the highest attendance last week. We celebrated their success in our assembly on Monday and each child had a sweet treat.

Thank you for your continued support with our attendance

Make Every Minute Count – Arrive on Time!

Give your child the best possible start to the day by arriving on time!

Good time keeping is a vital life skill which will help our children as they progress through their school life and out into the wider world.

Lateness has a negative effect on your child's learning. If a child is late, they can miss work and do not spend time with their class teacher getting vital information and news for the day.

Parking

I would like to thank all our parents and carers who park safely when dropping off and picking up their children. We work hard to secure strong relationships within the community, and it is important that everything we do enhances that relationship. Please could I ask that all parents are particularly vigilant when choosing where to park. Please ensure that driveways are never obstructed and that there is always enough space for emergency vehicles to easily access all properties in the area.

The Co-operative Store on Highfield Road have kindly agreed to let Marton parents use their car park. Please also refrain from parking or stopping in front of the school gates. Parking here causes an obstruction for the children when crossing the road and prevents emergency vehicles from being able to access school.
