## **Welcome Back**

Welcome back after the Half Term Holidays. There are lots of exciting things planned for the children in the final term of the school year and I look forward to sharing them with you in our Newsletter.

## **Netball report by Tyler in Year Six**

On Friday, 19<sup>th</sup> May, we played our third match of the season, which was against St.Cuthberts. The score was 10-7 to Marton. In the first and second quarter, St.Cuthberts dominated but in the third and fourth quarter Marton dominated. Sadly, one of our players was injured and had to come off. Everybody tried their hardest. It was great to have so much support. Thank you to all of our spectators.

## **Eco Days**

Next Tuesday and Wednesday, Envenco are coming to work with children at Marton. They will be litter picking, bulb planting and looking at how to recycle with the children using their outdoor classroom. They are addressing how we can support the environment.

## **Arts & Culture Festival**

On Tuesday, 4<sup>th</sup> July we will be hosting an Arts and Culture Festival in school. On the day children are invited to perform their individual skills and talents. If your child takes part in any activities outside school or has a talent/skill that they would like to showcase, please make sure they have all their props etc in school on **Monday, 12<sup>th</sup> June** to audition. If you require any further information, please contact school.

## Save the Date for Sports' Day

We are very much looking forward to Sports' Day.

**Well done to all the classes who were Green Status.**

**Well done also to Class 6A for having the highest attendance in school and Maple Class for having the highest attendance in the Suite.**

**Good Attendance**

A huge well done to Class 6B for achieving the highest attendance last week. We celebrated their success in our assembly on Monday and each child had a sweet treat.

Thank you for your continued support with our attendance

## **Make Every Minute Count – Arrive on Time!**

Give your child the best possible start to the day by arriving on time!

Good time keeping is a vital life skill which will help our children as they progress through their school life and out into the wider world.

Lateness has a negative effect on your child's learning. If a child is late, they can miss work and do not spend time with their class teacher getting vital information and news for the day.

I would like to thank all our parents and carers who park safely when dropping off and picking up their children. We work hard to secure strong relationships within the community, and it is important that everything we do enhances that relationship. Please could I ask that all parents are particularly vigilant when choosing where to park. Please ensure that driveways are never obstructed and that there is always enough space for emergency vehicles to easily access all properties in the area.

The Co-operative Store on Highfield Road have kindly agreed to let Marton parents use their car park. Please also refrain from parking or stopping in front of the school gates. Parking here causes an obstruction for the children when crossing the road and prevents emergency vehicles from being able to access school.
