Warm Weather

In order to protect the children from the warm weather, please apply suncream before school, bring a hat to school and remember a bottle of water. Water bottles can be filled up throughout the day at school.

Arts & Culture Festival

On Tuesday, 4th July, we will be hosting an Arts and Culture Festival in school. On the day children are invited to perform their individual skills and talents. If your child takes part in any activities outside school or has a talent/skill that they would like to showcase, please make sure they have all their props etc in school on **Monday, 12th June** to audition. If you require any further information, please contact school.

Vocabulary Day 2023

On Friday 16th June we are holding our annual Vocabulary Celebration Day in school. The children will be taking part in a range of activities with a focus on vocabulary development. All children in school are invited to come into school dressed as a word of their choice. We would encourage children to be ambitious with their choice of words. For example, they might come dressed as 'vibrant' or 'fluorescent' rather than 'colourful'. As part of the costume, please include a label with the word on.

Netball Report by Tyler

On Wednesday 7th June, Marton Primary Academy played against Baines. Marton dominated the match, winning 11- 0. We were very proud of our defensive work and our accurate shooting. We are trying hard to use the whole court. Everybody played their absolute best, keeping focused throughout the match. A great result, well done everybody.

Well done also to Class 6A for having the highest attendance in school and
Maple Class for having the highest attendance in the Suite.

Good Attendance

A huge well done to Class 6B for achieving the highest attendance last week. We celebrated their success in our assembly on Monday and each child had a sweet treat.

Thank you for your continued support with our attendance

Make Every Minute Count – Arrive on Time!

Give your child the best possible start to the day by arriving on time!

Good time keeping is a vital life skill which will help our children as they progress through their school life and out into the wider world.

Lateness has a negative effect on your child's learning. If a child is late, they can miss work and do not spend time with their class teacher getting vital information and news for the day.

I would like to thank all our parents and carers who park safely when dropping off and picking up their children. We work hard to secure strong relationships within the community, and it is important that everything we do enhances that relationship. Please could I ask that all parents are particularly vigilant when choosing where to park. Please ensure that driveways are never obstructed and that there is always enough space for emergency vehicles to easily access all properties in the area.

The Co-operative Store on Highfield Road have kindly agreed to let Marton parents use their car park. Please also refrain from parking or stopping in front of the school gates. Parking here causes an obstruction for the children when crossing the road and prevents emergency vehicles from being able to access school.
