The children had an amazing time taking part in our Eco Days. They all planted a flower, went on the Eco lorry and took part in litter picking. The Enveco Team congratulated Marton for having such lovely, well-behaved children.

Non-School Uniform Day - This Friday, 23rd June 2023

We are collecting **CHOCOLATE AND CONFECTIONARY** for one of our most popular stalls, the Chocolate & Sweet Tombola. In return, children are invited to wear their own clothes for the day. Thank you in anticipation of your support.

Warm Weather

In order to protect the children from the warm weather, please apply suncream before school, bring a hat to school and remember a bottle of water. Water bottles can be filled up through out the day at school.

Vocabulary Day 2023

A huge thank you to everybody who dressed up for our annual Vocabulary Day. We had lots of fun throughout the day learning new words and their meanings.

Make Every Minute Count – Arrive on Time!

Give your child the best possible start to the day by arriving on time!

Good time keeping is a vital life skill which will help our children as they progress through their school life and out into the wider world.

Lateness has a negative effect on your child's learning. If a child is late, they can miss work and do not spend time with their class teacher getting vital information and news for the day.

I would like to thank all our parents and carers who park safely when dropping off and picking up their children. We work hard to secure strong relationships within the community, and it is important that everything we do enhances that relationship. Please could I ask that all parents are particularly vigilant when choosing where to park. Please ensure that driveways are never obstructed and that there is always enough space for emergency vehicles to easily access all properties in the area.

The Co-operative Store on Highfield Road have kindly agreed to let Marton parents use their car park. Please also refrain from parking or stopping in front of the school gates. Parking here causes an obstruction for the children when crossing the road and prevents emergency vehicles from being able to access school.
