### Marton's Festival of Arts and Culture

What an unforgettable afternoon we all had yesterday at Marton's first ever Festival of Arts and Culture. The day was perfect from start to finish and we even had the weather on our side. The children were incredible with every class performing a song and poem of their choice. We were also treated to some individual skills and talented performers from across the school which included: singers, dancers, guitarists, drummers, composers and rappers. Safe to say – Marton has some phenomenally talented children. All the children supported each other brilliantly by cheering and clapping along and being a fantastic audience and everyone behaved beautifully. #BravoTeamMarton! Huge thanks to Mrs Selvi and Mrs Thorpe for all their time and effort enabling this special event to happen.

## Grand Theatre

Year 5 enjoyed a fantastic day at The Grand Theatre on Monday along with two other Blackpool schools. As part of their 'Reading for Resilience' project with a company called 'Tales Retold', they performed their piece from 'Unexpected Twist' on stage and took part in rehearsals and drama workshop games throughout the day. Everyone was amazing and we all had so much fun. Brilliant job Year 5. They are all really looking forward to their second year working with the team next year.

## Summer Fair

**Summer Fair Thursday, 13<sup>th</sup> July at 3.30 p.m.**

**Thank you to everyone who brought chocolate in for the tombola stall, it is very much appreciated.**

**Non-School Uniform Day**

**Friday, 7<sup>th</sup> July 2023**

On Friday, 7<sup>th</sup> July we are collecting **BOTTLES** for another of our great fundraising stalls, the Bottle Bola. In return, children are invited to wear their own clothes for the day.

## Coloured Fun Run

Tonight, 5<sup>th</sup> July at 3.30 p.m. we are holding a coloured fun run on the school field.

The fun run is all about colours, having fun together and staying fit. People are invited to run a track with several colour stations. At these colour stations, the passing colour runners have coloured powder sprinkled on them.

All funds raised will enrich their P.E curriculum.

### Warm Weather

In order to protect the children from the warm weather, please apply suncream before school, bring a hat to school and remember a bottle of water. Water bottles can be filled up through out the day at school.

### **Make Every Minute Count – Arrive on Time!**

Give your child the best possible start to the day by arriving on time!

Good time keeping is a vital life skill which will help our children as they progress through their school life and out into the wider world.

Lateness has a negative effect on your child's learning. If a child is late, they can miss work and do not spend time with their class teacher getting vital information and news for the day.

I would like to thank all our parents and carers who park safely when dropping off and picking up their children. We work hard to secure strong relationships within the community, and it is important that everything we do enhances that relationship. Please could I ask that all parents are particularly vigilant when choosing where to park. Please ensure that driveways are never obstructed and that there is always enough space for emergency vehicles to easily access all properties in the area.

The Co-operative Store on Highfield Road have kindly agreed to let Marton parents use their car park. Please also refrain from parking or stopping in front of the school gates. Parking here causes an obstruction for the children when crossing the road and prevents emergency vehicles from being able to access school.
