All donations to the charity will be given through Blackpool Children Services school wide collection. Thank you in anticipation of your support.

Thank you for your continued support with our attendance.

Make Every Minute Count – Arrive on Time!

Give your child the best possible start to the day by arriving on time!

Good time keeping is a vital life skill which will help our children as they progress through their school life and out into the wider world.

Lateness has a negative effect on your child's learning. If a child is late, they can miss work and do not spend time with their class teacher getting vital information and news for the day.

Percentage Attendance	= to days	How this effects your child's learning
100% Excellent	0 days	Pupils with 100% attendance should achieve the best grades they can.
Above 97% - Very Good	6 days absence	Pupils with this attendance should achieve the best grades they can.
95% and above – Good	10 days	Pupils with this attendance are likely to achieve their target grades. When attendance falls this low a referral to the pupil welfare officer will be made.
90% attendance – Unsatisfactory	19 days	Pupils are missing a month of school per year fall behind in Maths & English. Gaps will start to show in their learning and could lead to poor grades.
85% attendance – Cause for concern	29 days absence	Pupils are missing 6 weeks of school; it will be difficult for them to keep up and achieve their best.
80% attendance – serious concerns	1 day EVERY week	It will be almost impossible to keep up with work. Parents of pupils with this level of attendance could be issued with a penalty notice and it could lead to court action. It's not fair on the child and their chances for the future.
