World Book Day Celebrations

Thursday, 7th March 2024

Thank you to all the children, parents and staff for making such a huge effort with all the World Book Day costumes this year. It was amazing to see all the children either in a costume or in their pyjamas to promote a love of reading across the school.

There were lots of exciting events going on across the school from Shakespeare workshops, to library visits and sharing a story with a friend.

Elm Class – World Book Day

We extend our thanks to all the parents who joined us for our World Book Day celebration in Elm Class. The children thoroughly enjoyed having adults participate in various activities inspired by "The Three Little Pigs." They left with some wonderful crafts the children had made with them.

Great British Spring Clean Up

The week beginning 18th is Great British Spring Clean Up week. Eco Warriors will be litter picking throughout the five days. Please could you chat with your child about the importance of keeping the environment clean for both wildlife and humans. Thank you Tesco

We extend our heartfelt gratitude to Tesco for generously supplying our school with vital items for our children. Their thoughtful donation of toothpaste, toothbrushes, and deodorant is greatly appreciated. As part of a self-care initiative led by Mrs. Skinner, small groups of children are participating in self-care sessions, and these items will be distributed to them accordingly.

Parents Partners in Learning Meeting YR – Y6

The online booking system is now open

We will be holding Parents' Evening in March (dates on the booking form) for parents to discuss their child's achievements.

You are invited to bring your child to the meeting to give you both the opportunity to discuss with the class teacher the progress made in reading, writing, maths and attitude (including behaviour, attendance and uniform). New targets for next half term will also be shared with you at the meeting. We believe that by including the children in the discussion, they will have a much clearer understanding of their achievements and what they need to do next to improve, enabling them to take greater ownership of their own learning.

Appointments are booked through the text messaging service. If you have any problems, please contact the office.

Easter Egg of the Day Raffle

18th March to Thursday, 28th March 2023

To further encourage and reward good attendance and punctuality, we are holding a daily Easter Egg of the Day Raffle in every class starting on the 18th March and running until the end of this term. Each day your child arrives on time, they will be entered into their class raffle and have a chance to win the Egg of the Day!

Remember everybody – you must be in and on time to win it!

Battery Re-Cycling

The school has signed up for the Big Battery Hunt, please can you bring in any batteries that are no longer needed. We are seeing how many batteries we can acquire, and your support would be greatly appreciated. The children will be doing activities in school to support the scheme, so they have a better understanding how batteries that are thrown away impact on the environment. A box will be placed in the foyer, by the office for batteries to be put in.

Did you know...

Parking on the yellow and zigzag lines in front of school is prohibited? Not only do you risk getting a parking ticket but you are putting the safety of our children at great risk. The Co-op have kindly given permission for parents to park there when collecting children from Marton, so we would ask you to do this, if possible, and thank you!

Blue Token Scheme

We are now up and running at Tesco. we urgently seek your votes to secure a portion of Tesco's Stronger Starts fund. We are vying for a financial boost through the Tesco Stronger Starts scheme, which offers grant awards of up to £1,500 to local community projects, with a special emphasis on children and young people.

In every community, three groups have been shortlisted for grant awards, and Tesco customers play a crucial role in determining the recipient of the top award in their local Tesco store. Marton Primary proudly stands among the shortlisted groups in Blackpool.

Our project aims to resource our hive area and with your support, we can make a positive impact on our Academy. Voting is open in all Tesco stores from January until the end of March. Customers can cast their votes using a blue token given to them at the check-out each time they shop.

Tesco's Stronger Starts, formerly known as Tesco Community Grants, has already contributed over £110 million to more than 60,000 projects across Britain. This £5 million Stronger Starts grant programme, delivered in collaboration with Groundwork UK, assists schools and children's groups in providing nutritious food and healthy activities that enhance young people's physical health and mental wellbeing. Examples include breakfast clubs or snacks and sports equipment for after-school clubs. Your votes can help us secure this invaluable support for our community.

Free school Meals

It is so important that you apply for benefit related Free School Meals if you think your child is entitled. The entitlement to Free School Meals also results in additional funding for the school in the form of Pupil Premium. This funding plays a key role in creating an enriched learning environment for our children. Moreover, if you qualify for free school meals, you'll receive £15.00 per week in food vouchers during holidays.

It is important that your child is registered with the benefits agency, in order, for this funding to be released.

Also remember that if your child is now in Year 3 you will have to pay for your school meals if you are not entitled to benefit related FSMs - £2.20 per day.

If you are receiving Universal Credit, Income Support or Jobseekers Allowance (Income based) and feel your child should be entitled to a free school meal contact the benefit office by following the link below or ask at the office for an application form.

Make Every Minute Count – Arrive on Time!

Give your child the best possible start to the day by arriving on time!

Good time keeping is a vital life skill which will help our children as they progress through their school life and out into the wider world.

Lateness has a negative effect on your child's learning. If a child is late, they can miss work and do not spend time with their class teacher getting vital information and news for the day.

Good Attendance

A huge well done to Class 3B for achieving the highest attendance last week. We celebrated their success in our assembly on Monday and each child had a sweet treat.

Thank you for your continued support with our attendance.

Percentage Attendance	= to days	How this effects your child's learning
100% Excellent	0 days	Pupils with 100% attendance should achieve the best grades they can.
Above 97% - Very Good	6 days absence	Pupils with this attendance should achieve the best grades they can.
95% and above – Good	10 days	Pupils with this attendance are likely to achieve their target grades. When attendance falls this low a referral to the pupil welfare officer will be made.
90% attendance – Unsatisfactory	19 days	Pupils are missing a month of school per year fall behind in Maths & English. Gaps will start to show in their learning and could lead to poor grades.
85% attendance – Cause for concern	29 days absence	Pupils are missing 6 weeks of school; it will be difficult for them to keep up and achieve their best.
80% attendance – serious concerns	1 day EVERY week	It will be almost impossible to keep up with work. Parents of pupils with this level of attendance could be issued with a penalty notice and it could lead to court action. It's not fair on the child and their chances for the future.
